

PLUM-PALOOZA

Join local volunteers as we collect wild american plum seeds to donate to Maryland's State Nursery.

The plums will grow into seedlings that will be planted in restoration projects across the state!

Representatives from the Maryland Forest Service will be leading the event.

EVENT NOTES:

- Park in the lot behind the school and use the walking trail between the two sport fields to access the plum stand.
- Pack plenty of water and a bagged lunch.
- Wear clothes you don't mind getting dirty. We recommend a sun hat, work gloves, long sleeves, and long pants.
- Bring sunblock and bug spray.

Note: stinging insects like plums. If allergic, bring any necessary medication.

DATE & PLACE:

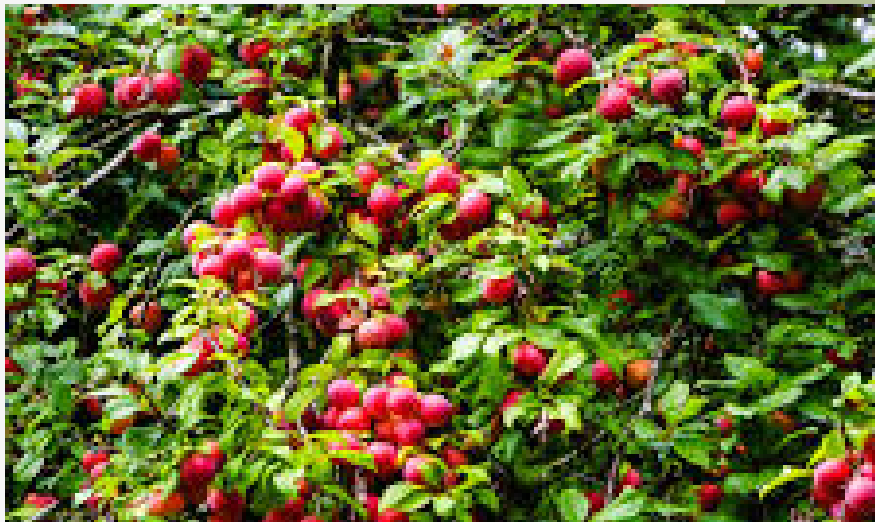

SAT. SEPTEMBER 23

NEW MARKET ELEMENTARY SCHOOL;
93 W MAIN ST, NEW MARKET, MD 21774

Collection will take place between 10:30am and 1:00pm. Come and go as you please! Be sure to sign the volunteer waiver upon arrival.

HELP US COLLECT NATIVE TREE SEED FOR MARYLAND'S STATE NURSERY!

This volunteer event is approved by Frederick County Public Schools. Do NOT use the plum stand outside of the designated event time.
